ALL-LINEN DAMASKS AND NAPKINS

All Linen Damasks are so scarce that many stores do not mention "All Linen" n their advertising of damasks. We still have plenty of All Linen that we bought in 1914 and 1915 and our prices are no higher than the prices of Cotton Union Damasks. We also have All Linen Crash for common towels as well as fancy guest towels. All Linen for all kinds of Christmas work, All Linen Sheeting and Tubing. Plenty of All Linen Handkerchiefs at very little advance over "before the war prices.". When you want any knd of All Linen, either come to us or send for samples.

NEW FALL AND WINTER COATS

These coats were bought when the coatings cost at the very least 50 per cent less than they do now and all our coats were ordered shipped just as soon as made because we did not dare risk leaving them on the racks until the usual time to ship them. Our honest advice to our customers is to buy a coatthis fall even if you feel you can get along until next fall and to buy it early as the advance up to date has been so very slight compared to what must come later. We are showing Curltex, Plushes, Persian Cloths and other heavy Winter Coats as well as the lighter weights.
